

Mosaic Sampler CAL - week five

Welcome to the fifth pattern of the Mosaic Sampler. We are just over half way through the patterned section of the afghan now so you should be starting to see how beautiful your colour way is looking with the different patterns.

Pattern five:

This weeks pattern reminds me of the designs you get on old greek and roman urns and I always refer to it as the zigzag pattern. It also is very similar to the pattern we completed in week three.

All seven colours are used in this pattern with the lines separating the zigzags being in one of the dark colours to give the zigzags more emphasis. There is also a row 0 as the very first row and a row 13 as the very last row in this pattern. It is a relatively quick pattern to do as six out of the twelve rows in the pattern are double crochets into the back loop, which means only six of the rows have drop trebles in them.

TIPS:

- I always tick each row off as I finish it. This way I know I won't accidentally crochet it again.
- I always check that my stitch count after the final treble matches the stitch count on the end section of the chart as this way I can see immediately if I have made any errors on the row just done.

Vldeo

You can find a <u>tutorial</u> demonstrating this pattern over on daisyknots YouTube channel. **NOTES** for video:

- I use UK crochet terms throughout.
- I may refer to the double crochet into the back loop as double crochet.
- I may refer to the treble stitch into the front loop two rows below as a drop treble.

I am so happy to have been able to create this pattern and have the opportunity to make it available to you, however in our digital world it is sometimes very easy to forget that a pattern especially when it is free has had many, many hours spent on it. Therefore:

- Please respect the hundreds of hours that have gone into designing and testing this free patten by myself and my amazing testers.
- Please do not copy or amend this pattern in any form.
- Please do not share the pattern with anyone but please do share the link to download the pattern.

Thank you so much to the wonderful ladies of the <u>CAL- Crochet A Long</u> facebook group and <u>CAL blog</u> who have helped me make this CAL a reality, as without them I wouldn't have known where to start.

A CAL by its very nature is a social activity so I would love to see your progress throughout the CAL, so if posting on socials please use the tag @daisyknots and #mosaicsamplerCAL and I will do a roundup each week on my Insta stories and Facebook page.

And of course I will happily chat on the <u>CAL- Crochet A Long facebook</u> group and the <u>event</u> page if you have any questions.

Enjoy the CAL.
